*** AFFIRMATION OF FAITH**

Apostles' Creed

**I believe in God the Father Almighty, Maker of heaven and
earth: And in Jesus Christ, His only begotten Son, our Lord:
Who was conceived by the Holy Spirit, born of the Virgin
Mary; suffered under Pontius Pilate, was crucified, dead, and
buried; He descended into hell; the third day He rose again
from the dead; He ascended into heaven, and sitteth at the
right hand of God the Father Almighty; from thence He shall
come to judge the quick and the dead. I believe in the Holy
Spirit; the one holy universal Christian Church; the
communion of saints; the forgiveness of sins; the resurrection
of the body; and the life everlasting. Amen.**

IN OUR PRAYERS:

Teresa Stoner Button, prayers for Teresa Stoner Button for continued healing and rehabilitation following a successful hip replacement.

Clayton Lettau, please put Clayton back in your prayers. His MRI in July was good, but since then he has had some severe issues, which called for a new MRI, which was not good. He has now met with a neuro oncologist at KU who will discuss the new findings with a team of doctors to determine if surgery is the next step. We will know more October 21st. Thank you always for your support and words of encouragement and love.

Elisha Stroupe, Teri Graham's best friend from New Franklin, is 43 years old and was diagnosed with breast cancer. Prayers would be appreciated.

Maxine Schloman, is at Meyer Care Center.

Reed Heimsoth, is at Riverbend in Lexington getting therapy following a car accident. Continued prayer is appreciated.

Charles & Evelyn Marcks, the family would appreciate prayers for both Charles and Evelyn.

Angie Erdman is taking treatments for breast cancer.

Prayers, for anyone with a health issue, anyone grieving, and anyone that has a heavy burden on their heart, mind, and soul.

Prayers, for our world and nation.

Best Wishes for Birthdays this week...
